

KITCHEN MENU

The kitchen at Langkawi's first Irish Pub is not trying to be like any other food outlet on the island. We have embarked on doing something different, yet true to our core, of being "Wild Geese". Our daily offerings may vary slightly as new meals are created, but our standard eats will be what you would expect from eating at a mate's house or your mum's cooking. We don't have a huge menu, just simple, tummy-filling meals.
